

2017 Santa Claus Visit

Yes, Santa Claus is coming to visit us again on December 9th, a Saturday evening before he needs to get back and check that all the toys & gifts are ready. He will ride through the neighborhood on a golf cart driven by a trusty elf, preceded by a car with Christmas Carols and a megaphone announcing he is on his way. Last year he was very popular so be patient and he will get to your street. Mark your calendars for December 9th! More information later.
