Feb/March 2018

Happy 2018 to one and all, wishing you a great year ahead! Last year ended with a wonderful visit from Santa and we have begun to plan 2018 activities. Our annual meeting on January 22nd was well attended and we thank Heritage United Methodist Church and staff for the use of the Fellowship Hall. I believe everyone present enjoyed hearing Mr. William Horne, Clearwater City Manager, who gave a synopsis of what is happening throughout Clearwater from Countryside to the beach. He then answered questions from those present and encouraged all of us to get involved throughout not only our own community, but all of the city of Clearwater. With the election of two Council members coming up, we need to know who is running and what platform. We all recognize that tourism and downtown are very important, but we hope that they are aware of the needs of Countryside, as none of the candidates are from this area.

Please mark your calendars for April 14th, Neighborhood's Day. Between 8AM and 11AM your HOA will provide a pancake and sausage breakfast for you and your family. Members of the city departments will be visiting our get-together, so come to Inverrary Lane, even if just to say "hello." Come and meet old friends and make some new ones. All are welcome...see you there!
