Clearwater National Night Out
Clearwater Mall 5-7:30 pm
Tuesday October 4th

As is usual, time seems to have flown since our Neighborhoods breakfast in March, which by the way, was a success. There was a great turnout both of our neighbors and the City of Clearwater. The weather behaved and hundreds of pancakes were served. Folks ate, sat and visited with people they had not seen in quite a while or who are now new friends. The City had great representation visiting, including our new City Manager, our Mayor and most of the Council members. As well, we had many departments represented and people came hungry. As much as we enjoyed all who visited, the K9 and his partner who attended, were very popular.

BARGAIN price for your HOA dues, may be mailed anytime to
